LETTER OF COMPLIANCE
For
LETTER OF DEFICIENCY
ARD No. 2005-001

Dear Mr. Cook:

The New Hampshire Department of Environmental Services, Air Resources Division ("DES"), has reviewed the actions taken by the Concord Litho Group ("Concord Litho") in response to Letter of Deficiency ARD No. 2005-001 ("the LOD"). DES has determined that the specific issues addressed in the LOD have been resolved in a manner consistent with the NH Admin. Rules Env-A 100 et seq., NH Rules Governing the Control of Air Pollution. Based upon a determination by DES that compliance with the LOD has been achieved, DES issues this Letter of Compliance.

Please be advised that DES will continue to monitor the compliance status of Concord Litho. This letter does not provide relief against any existing or future violations, and refers only to the compliance issues addressed in the LOD. It is important that the Concord Litho be aware of and complies with the requirements of Temporary Permit No. FP-T-0082 and Title V Operating Permit No. TV-OP-029. Please feel free to contact DES should you have any questions regarding compliance with the terms and conditions of the permits.

DES recognizes the efforts that the Concord Litho has taken to come into compliance. If you have any questions regarding this Letter of Compliance, please contact Raymond Walters, Compliance Bureau, Air Resources Division, at (603) 271-6288. Thank you for your cooperation.

Sincerely,
